Yazın Türkçe: "Mustafa Atatürk, Türkiye Cumhuriyeti'nin kurucusu, ana vatanının fedakâr ve sadık hizmetkârı, eşsiz kahraman ve insanlık idealinin yaşayan sembolü, tüm kayıplarını Türk milletine adadı ve ruhunun ateşi ile halkına ilham kaynağı oldu. Anıtı, söndürülemeyen bir ateş gibi, halkına ışık vererek sonuza kadar yaşayacaktır."
